MEMBER COMPANY NEWS

Blue Colibri

At the Polish-Hungarian Chamber of Commerce HR webinar event on the 29th of September, we had the pleasure of presenting how the **Blue Colibri** App helps companies to digitize their HR processes, whether it's administrative tasks, informing, training or even employee engagement. It is important that all companies, regardless of their size, are aware of and use digital tools in HR. Modernisation is an important part of any company's culture and time-consuming paperwork can be easily replaced by online tools that are quick and easy to use, not only for administrators but also for employees.

The Blue Colibri App's mission is to help companies update their internal processes and have a positive impact not only on the efficiency of their business, but also on employee retention and satisfaction.

Tokaj-Hétszőlő-Christmas offer

We are pleased to offer you the organic wines of **Tokaj-Hétszőlő Estate** for your end-of-year gift giving. Since 1502, they have been producing noble mouldy sweet wines on their estate, and since 2009, dry wines have also played an important role in their range. Since 2015, the entire 55 hectare estate has been certified organic. To ensure high quality, they work exclusively with their own grapes, which are hand-harvested with great care. We offer you their wines made from this fruit for consumption and as gifts.
