WEBINARIUM SERIES 2023 - Pitfalls of Doing Cross-Border Business - 2023.02.28.

In the spring of 2023, the Polish-Hungarian Chamber of Commerce launched a webinar series called **Webinar Series 2023**. The events focus on current business and economic issues of the Polish and Hungarian markets. The first topic of the series was the pitfalls of doing cross-border business.

The partners of the event, entitled "**Pitfalls of doing cross-border business**", which was organised online on 28 February 2023, were PETERKA & PARTNERS, Gyarmathy & Partners, ANTAL, Enloyd and BPiON. The event featured presentations by our invited speakers on current tax, legal and employment issues, processes and trends in cross-border business in Poland and Hungary.

Meet our new member company

LERTA Magyarország Kft.

Lerta is an energy company providing first-class energy products and services with the aim of enabling everyone to live in a world powered by 100% renewables. By managing renewable energy in a new, decentralised energy market, Lerta is allowing sustainable energy to flow freely between market participants. We accelerate the green transition process while we support energy generators and consumers to benefit from it by maximising their profits and savings. To achieve our objectives, we efficiently manage the aggregated resources in a Virtual Power Plant in several markets

simultaneously, based on artificial intelligence. The success of the Lerta Virtual Power Plant confirms the global need for energy flexibility and the ability to control it in real time. Our business is strongly supported by Photon Energy Group, a global player in the photovoltaic market, working on several successful projects in Australia, Europe and South America. Our proprietary technology, access to a licensed market and strategic partnership with Photon Energy Group position us perfectly in the new sustainable energy landscape. The company's headquarter is in Poznan and we have offices in Budapest, Bucharest, Gdansk and Prague.

EXPO NEWS FROM HUNGARY

THE 29TH FEHOVA EXHIBITION HAS ENDED

Significantly higher visitor numbers, a range of international exhibitors and a great atmosphere were all hallmarks of the 29th Fishing, Hunting and Arms International Exhibition. At the greatest gathering of the hunters, anglers and nature-lovers of the region, over 200 exhibitors presented their latest novelties while visitors had the chance to attend numerous lectures at the HUNGEXPO Budapest Congress and Exhibition Center. Over 38 thousand visitors attended the four days of the 29th Fishing, Hunting and Arms International Exhibition (FeHoVa) at the HUNGEXPO Budapest Congress and Exhibition Center. Exhibitors attended the events from a range of different countries, including Austria, Belgium, the Czech Republic, South Africa, Poland, Namibia, Italy, Pakistan and Slovakia. There were a great number of foreign visitors at the event – this was partly due to the 10th anniversary FeHoVa-MEOESZ International Winterdogshow (CAC,

CACIB) hosted concurrently with FeHoVa. This year, FeHoVa events took place in four separate pavilions. More details about the exhibition can be found at the following link:
