### EXPO NEWS FROM HUNGARY

## THE CONSTRUMA, HUNGAROTHERM AND HOME DESIGN EXHIBITION CLOSED SUCCESSFULLY

The Construma has been successfully closed at the Hungexpo Budapest Congress and Exhibition Center. During those five days, more than 30,000 visitors were interested in the

programs of the 41st **CONSTRUMA**, organized already 11th time, together with **HUNGAROTHERM** trade fairs and **HOME DESIGN** exhibition. Almost 500 exhibitors from Hungary and 21 other countries (including South Korea, Czech Republic, Poland, Turkey, Italy, Iran and Saudi Arabia) presented their products, services and novelties at the top event of the Hungarian construction industry. This year's professional programs and the exhibition were focused on the challenges of the future construction industry – energy efficiency, energy-efficient homes and sustainability. A key topics were quality and how to raise the interest of the new generations about the construction professions. The 15th edition of the Solar Conference and the Solar Race, a competition of solar panel installers, attracted great interest. Even more people, than last year, were participating in the further trainings organized by the Hungarian Chamber of Architects and the Chamber of Engineers of Budapest and Pest County, at the Meeting of Roof Professionals, and at the conference organized by the National Association of Building Contractors, one of the main professional partners of the exhibition. Great success was a DESIGNMátrix, a 100 square meter installation, where the designers presented their **current** novelties.

More details about the exhibition can be found at the following link:
