## EUROHUB ROKYCANY

The new, very modern EUROHUB Rokycany is a forward-looking and groundbreaking joint project **on the line between Germany and Eastern Europe.**

**DIRECT CONNECTIONS TO DE, CZ, SK, HU, RO, BG**

### Expansion of the Raben network in Europe:

Raben's own network translates into:

- high efficiency and quality,
- fast connections,
- fair tariffs and transparent costs.

Daily direct connections and 24-hour lead times from Czechia to Germany make this unique project **another milestone in the process of creating a national and international transport hub with direct connections within Raben Group.**

**DIRECT CONNECTIONS FROM CZECHIA TO GERMANY IN 24 HOURS\*).**

\*) The lead times may vary depending on particular postal codes. It is not a binding offer.
