FAMILY STORY

THE TÓTH FERENC WINERY CAN BRAVELY BE CALLED A FAMILY WINERY, AS THROUGH GENERATIONS, YOUNG AND OLD MEMBERS OF THE WINEMAKER FAMILY WORK TOGETHER PASSIONATELY TO BRING FORWARD THE GOOD REPUTATION OF THE WINERY AND THE WINES OF EGER.

FAMILY STORY

- THE BEGINNING OF TÓTH FERENC WINERY GOES BACK TO THE YEAR 1983. WHY IS IT IMPORTANT TO GO BACK AND LOOK AT WHAT HAPPENED IN THESE 4 DECADES?
- Perhaps because it may take decades to reach where we are today – a combination of hard work, difficult decisions, unforeseen circumstances, and sometimes luck – these major factors made it possible that we became a 30 hectares, state-of-the-art winery we are today, while we started at 1,5 hectare more then 40 years ago. We are proud of our past, value our present and believe in our future.

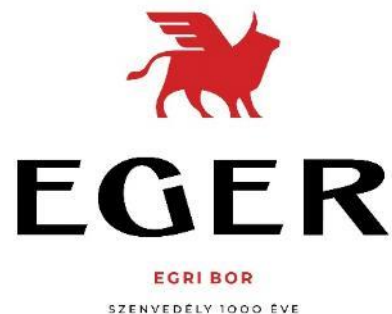

FAMILY STORY

- The year 2005 was an important turning point for both our family and winery life.
- A new generation joins the farm, the daughter and son-in-law of Ferenc Tóth. Throughout the following years, besides many investments and developments, Katalin has continuously taken over the operative management of the winery, and now with Uncle Feri and 12 permanent employees they manage together all the work of the winery.
- This way, our winery can be called a family winery and hopefully there will be a grandchild who takes over the cellar key one day in the future...

SÍKHEGY IS ONE OF THE MOST UNIQUE VINEYARDS OF EGER.

THE POPLAR CALLED US.

We have imagined what a place would
look like underneath,
full of loungers, with a pretty well and a
big telescope,
with soft music, fine wines and some
snacks,
as we watch the sunset.

THE DREAMS COME TRUE.
THE TÓTH'S HAS ARRIVED.

VÁRVÉDŐ - “DEFENDER OF THE CASTLE”

- 1552-2002: THE 450TH ANNIVERSARY OF THE SIEGE OF THE EGER CASTLE.

Uncle Feri created the VÁRVÉDŐ, a classic Bordeaux cuvée, 65% cabernet franc, 25% cabernet sauvignon, 10% merlot. This wine is present at city festivals, it has been a great success both in professional and consumer circles. Since then, the flagship wine of our winery, we make it only in outstanding years, we are very proud of it!

VÁRVÉDŐ - “DEFENDER OF THE CASTLE” VÁRVÉDŐ EGRI BIKAVÉR SUPERIOR 2018

THE NEW GENERATION OF EGRI BIKAVÉR

“Serious wine, for serious people.”

Kékfrankos + BDX

Very deep aromas on the nose dominated by ripe black berry fruit with a hint of subtle oak spice. Thick and complex on the palate complemented by ripe fruit. Great balance. The layered, full body is nicely held by the wine’s acidity and ripe tannins. Extremely long finish.
